Mini 210-1010NR

The Perfect Companion PC

Prepare to be noticed when you take this Netbook out on the town. Small, slim and stylish, the HP Mini 210 lets you surf the web, stay connected, and be entertained wherever you go. Amp up the fun by playing videos and music or showing off your photos. Exclusive, integrated software keeps you in sync with your life by letting you e-mail, chat, and instantly access your files from anywhere. With bottom case cover that conceals component access points and matches the top cover, the HP Mini 210 looks great from every angle and is protected by world-class Support.

Windows®. Life without Walls™.
HP recommends Windows 7.

Take just what you need

And leave the rest on your primary PC. At less than one inch thin and starting at just 2.69 pounds, this ultra-compact PC won't weigh you down. You'll enjoy a 10.1" diagonal display and nearly full-size keyboard (93% of full-size). Enjoy a rich, multimedia experience by streaming video.[15] Built-in wireless LAN[10a] brings the web to you at home and in many public spaces. Maximize your mini experience with options like an additional an extended-life 6-cell battery, wireless WAN, a protective sleeve and mouse.

- A 6-cell battery provides up to 9 hrs and 45 min on a single charge.[28]
- A coordinating HP Mini Sleeve protects your investment without diminishing its style.
- A coordinating HP Mini Mobile Mouse makes navigating your system even easier.

You, all over

Coordinate with everything with the glossy black HP Imprint finish. Access your files wherever you go—even without downloading them first. Play MP3s, view photos, and update your documents over the Internet with HP Cloud Drive.[15]

Instant fun

With HP QuickWeb, you don't have to wait to access to your favorite sites, e-mail, IM, and more: links appear in seconds after powering on. HP MediaStream lets you stream music from other PCs easily and fast. And with HP QuickSync, your files effortlessly synchronize with your main PC when you get home and connect to the same wireless network.[10a]

Ideal For...

With more fun per ounce, the HP Mini 210 is the perfect companion. Ideal for people who want to stay in sync in more places.

Relax With 24/7 Support

While your PC is within Warranty, HP Care Pack Support gives you access to complimentary help whichever way you prefer:[32]

- **From your desktop:** Click the HP Support Assistant icon for quick access to preinstalled content and diagnostic tools.
- **Through the Internet:** Visit our Consumer Support Forum, available 24/7 in English, French or Spanish at www.hp.com/support/consumer-forum. In the US, go to www.hp.com/go/notebookcare.
- **By telephone:** In the U.S., call HP at 1.800.HP.INVENT (1.800.474.6836).

To continue complimentary access to support, you can extend your Standard Warranty with an HP Care Pack service. Visit www.hp.com/go/totalcare for your choice of plans. Business Week ranked HP the number one technology company for customer service (April 2009).

If your PC is out-of-warranty, you can visit the Consumer Support Forum (www.hp.com/support/consumer-forum) at no charge. You can also call 1.800.HP.INVENT within the U.S. (1.800.474.6836), but support charges will apply.

Each PC includes 60 days of live complimentary updates of Norton Internet Security 2010, HP Edition. It guards your PC, your network, your online activities and your identity with innovative, intelligent detection technologies optimized to combat today's aggressive attacks.

ecoHIGHLIGHTS

[1] Microsoft® and Windows® are registered trademarks of Microsoft Corporation.This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See http://www.microsoft.com/windows/windows-7/ for details.
[3] Intel's numbering is not a measurement of higher performance. [4] GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. [6] Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. Note: this disclaimer affects system memory and graphics. [7] 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 20GB of system disk is reserved for system recovery software.[8] High-Definition content is required to view high-definition images. [9] Actual speeds may vary. [10] Bluetooth is a trademark owned by its Company under license. [10a] The specifications for the 802.11n WLAN are draft specifications and are not final. This may affect the ability of the PC to communicate with other 802.11n WLAN devices [15] Internet access required and sold separately.[17a] Digital Media Slot supports MS, MSP, MMC, SD, XD formats. To avoid damaging the card or computer do not insert any type of adapter, or mini format memory card, into the Digital Media Slot. Mini/Reduced flash memory cards require separately purchased adapter. [19] The Microsoft® Office 2007 Home & Student edition is a trial version; functionality is reduced after 60 days. The full version is sold separately. [19b] Internet access required. First 60 days included. Subscription required for live updates afterwards. [25] Games may be limited during trial period. Full version games may be purchased at any time. Internet access required and sold separately.[28] Battery life will vary depending on the product configuration, product model, applications loaded on the product, power management setting of the product, and the product features used by the customer. As with all batteries, the maximum capacity of this battery will decrease with time and usage. [32] Support options are subject to change.
